### Year 6 Production of Buggy Malone

WOW! What a performance that was! Entertaining and funny, with some unexpected bits added in for good measure!

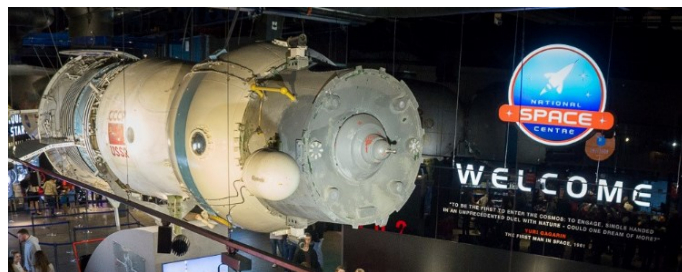

Well done to all the children involved—you were all amazing! We saw such dedication, vision and skill from all of the children to bring this production to life and make it the wonderful production it was.

We will never forget the Class of 2024's production of Buggy Malone!

### Year 5's Visit to the National Space Centre

As part of our Earth and Space topic, Year 5 children went to visit the National Space Centre in Leicester on Tuesday 2nd July. The day was a great opportunity for the children to explore our solar system and apply their Earth and Space knowledge gained during classroom lessons.

## Charity Cake Sale

On Wednesday 19<sup>th</sup> June, our Science and Sustainability Ambassadors and Eco-Councillors ran a very successful cake sale raising money for two charities who are planting trees to help combat climate change. We raised a fabulous £140 which will be divided between Trees for Change, who plant trees with communities in Kenya, and Worcestershire Wildlife Trust who have a tree planting project at Monkwood just outside Worcester. This fundraising initiative contributes to our sustainability strategy and our Eco-schools action plan. We would like to say a massive **THANK YOU** to all the families and staff who donated lovely cakes and biscuits and to everyone who bought cakes on the day. We all had a lovely time!

## Hagley Library Summer Reading Challenge

Hagley library have joined the Summer Reading Challenge again this year. This year's Reading Challenge, presented by the Reading Agency, has a theme of 'Marvellous Makers', inspiring children's creativity. It's free to join for children age 4-11 years. Read 6 library books to complete the challenge to earn a medal and certificate and collect rewards for each book you read!

If you would like to join, please pop into the library where staff will be able to help you. For more information, please click [here](#).

## Outstanding Acrobatic Talent

We are so thrilled to see these pictures of a recent show Betsy, from Year 6 performed in with CircusMash!

She has been performing all over the country every weekend for the last two months, at all different types of festivals, from private events at the Triumph Motorcycle Headquarters and Museum to Street parties in public parks. **WELL DONE** to Betsy for all the hard work, skill and courage she has put into each and every performance!

### Fond Farewells and Happy Summer Holidays

Today, we say our last farewell to the staff leaving us today for their next adventure; thank you for all you have done for the children of Hagley Primary School. We would like to say a special farewell to Mrs Hunt, who leaves us after more than twenty years to begin her retirement. Mrs Hunt will be remembered fondly long into the future.

We have also said our goodbyes to our Year 6 children. We wish them every success in their new chapter in September.

And finally... **THANK YOU** to all families for the support you have shown to us this year. Hagley Primary School is the exceptional school it is, because of what you do to help us. We wish you a wonderful holiday, whether at home or away.

*Goodbye*

Wishing you all a wonderful summer break.

We look forward to welcoming the children back to school on Wednesday 4th September 2024.
