

Nursery News

Friday 17th October

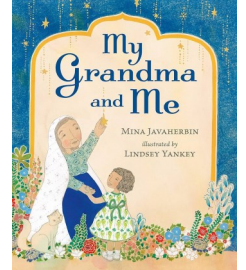

Mini Me

This week we have been completely immersed in the beautiful story 'My Grandma and Me' by Mina Javaherbin.

Nursery have been on a space adventure with Grandma! Together they've travelled beyond the stars, discovering the special traditions they share like baking, storytelling, and caring for one another.

The children have shared the wonderful things they love to do with their own grandmas or special people at home from baking cakes to reading bedtime stories. As we've explored the story, we've thought about how our homes may look different, but the love, laughter and care we share are the same.

Play Adventures

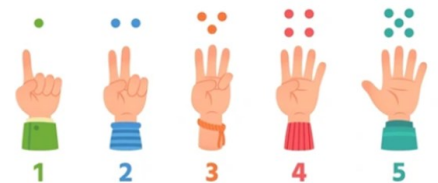

In our play, Grandma has inspired so many wonderful ideas! The children have been busy making tea and cookies in the Home Corner, creating delicious meals in Grandma's Rooftop Café, and using herbs and spices in Grandma's Playdough Kitchen exploring their sense of smell, touch, and imagination.

We've heard the most heart-warming stories about what children love to do with their own grandmas or special people.

Maths- Counting and Subitising

Maths has been full of magic this week! We've been counting to 5 using our fingers, dice, and dominoes, and playing "Show Me" games- "Show me 3... show me 5!" We've been spotting numbers everywhere and creating our own magic show by showing and hiding amounts of 1, 2 and 3.

Songs like "One Potato, Two Potato" have helped us practise counting in playful ways that make maths feel like magic.

RugbyTots

After a short delay, Rugby Tots made its much-anticipated return and it did not disappoint!

The children jumped, ran, balanced, and laughed their way through a morning of fun and teamwork. It was brilliant to see growing confidence and coordination.

Due to unforeseeable circumstances RugbyTots did not take place last week, however we will be adding in an extra session.

Thank you!

What a joy it was to see so many families join us for the Harvest Assembly! The children loved sharing their songs and poems.

Dates to Remember

Parent Meetings – Monday 20th October & Wednesday 22nd October (via telephone)

Dare to be Different Day – Thursday 23rd October – cash donations on the gate

Meal Bookings – Please book via Parent Pay by Tuesday of the previous week.
