

# HAGLEY PRIMARY SCHOOL

## SEND NEWSLETTER - DECEMBER ISSUE

### Welcome to our SEND Newsletter!

At Hagley Primary School, we are dedicated to nurturing every child's unique potential and creating an inclusive environment where all pupils can thrive. This newsletter is here to keep you informed about SEND updates, share helpful resources, and highlight opportunities for us to work together in supporting your child's learning journey. We wish you a very Happy Christmas to all who celebrate and look forward to seeing you in the New Year.

### Key Updates

**Interventions:** This term, we have introduced sensory circuits and structured sensory breaks to support pupils who benefit from additional regulation strategies. These activities support focus, coordination, and overall well-being, ensuring children are ready to engage in the classroom.

**Policy Update:** Our SEND policy has been reviewed in line with the latest local authority guidance. You can find it on our school website under Policies.
