Nursery News

Friday 2nd October

This week in Owlets, the children have enjoyed the classic story ***Mog the Forgetful Cat***. We have explored family relationships, Mog's characteristics and feelings, and discussed who we would award a medal to in our own families and why. The children have enjoyed sharing their ideas and making connections with their own family experiences.

A big thank you for the fantastic pet drawings you have sent in! We will be sharing these in class throughout next week, giving the children opportunities to talk about their pets and celebrate their wonderful creations.

Maths: Exploring Capacity

In maths, we have been exploring capacity by filling Mog's food bowls and comparing the amounts. The children have been using the language of **'more'** as they investigate which bowls hold more food or water.

Little Link

This week, we are encouraging you to try commenting rather than asking questions when playing with your child.

By describing what your child is doing, seeing or exploring, you introduce them to new vocabulary in a meaningful context. Hearing words linked to their experiences helps children understand and remember them, supporting their language development.

For example, if your child is playing with toy animals, you might say, "The little cat is hiding under the chair!" or "You're giving the dog a big bowl of food."

Give commenting a try at home this week and let us know how you get on. Have fun chatting, playing and sharing these little moments together!

Physical Development

Owlets have practised different animal walks, used big arm movements while painting and exploring water, and enjoyed moving ribbons through the air.

We have also been developing our hand-eye coordination by passing beanbags around our bodies and gently throwing them into the air. These activities help to strengthen muscles and build confidence in controlling our movements.

Reminders

- If you would like your child to take part in **French** (Wednesday afternoon) or **Rugby** (Friday morning), please sign up. Details included below.

-**Autumn Stay and Play** Sessions will take place on **Tuesday 20th October** and **Wednesday 21st October at 1.30pm**. See letter for details.

If your child does not usually attend on these days or if you would prefer a telephone conversation instead, then please email the school office (office@hagleyprimary.worcs.sch.uk), where a suitable appointment can be made.

THANK YOU!
